

# INTRO TO TRACKING

## HOSTED BY GSDCGNH

Presented by **Pia Blackwell** - vom Rheinland German Shepherd Dogs

### TRACKING

for **AKC - IGP -**  
Professional or just for fun.

You will need a solid foundation of how to train your dog. How to keep your dog on the scent and determine the direction of scent (mixed with airflow, weather conditions and environment). How to lay a track and keep your dog successful

Our seminar, with **Pia Blackwell's** guidance, will give you a solid foundation for starting your dog in tracking. Will provide the building blocks to move forward. Each working team will be instructed and guided at your own progression.

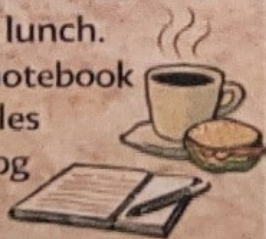

This seminar is for the dog and handler that has never done tracking or has some experience but has not titled.

#### What do you need to bring

- .... Lots of high value treats (Treats that your dog absolutely loves!)
- .... A flat buckle collar or tracking harness and a 6ft or longer leash.
